Enrollment Audit

New: Preparing for the October 6, 2014 Data Snapshot

This is a reminder that the deadline to enroll students in your Student Information System (SIS) to be considered for UPSFF funding is 5pm on Monday, October 6, 2014. As we prepare for this deadline, please work with the Enrollment, Data, SPED and LEP teams at your LEA to ensure the following:

- All students are fully enrolled into your SIS.
- All Special Education (SPED) students are identified in EASYIEP.
- All LEP Students are identified in your SIS.
- All duplicative enrollments have been resolved for all students. After October 6, 2014 the auditors will make the final determination of duplicative enrollments.
- Any issues have been entered into the OSSE Support Tool (OST).
- Residency, Tuition and Tuition amount indicators have been updated for all students.

Please refer to “*Reminder: Enrollment Audit and Child Count Data Certification*” below for detailed information. If you have any questions or concerns, please contact the Office of Enrollment & Residency at osse.enrollmentaudit@dc.gov prior to the deadline of 5 pm on October 6, 2014.

New: Enrollment Audit Certification

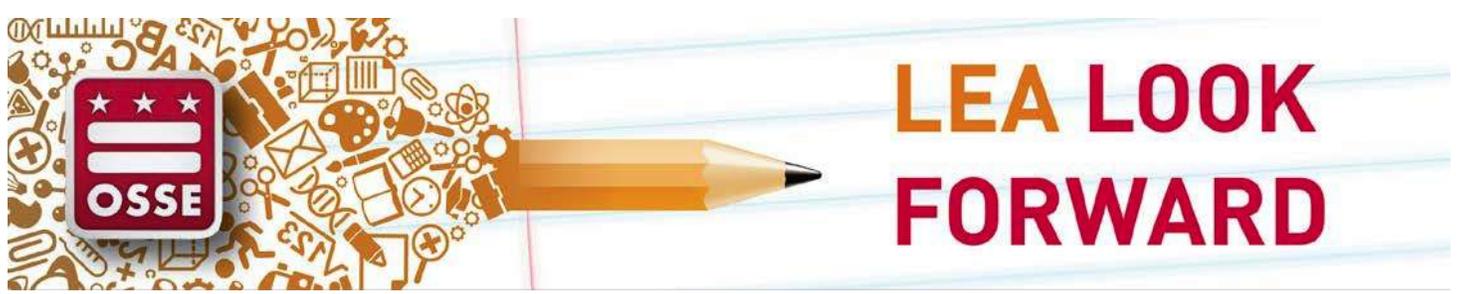

LEAs must certify the validity, completeness, and accuracy of the October 6 data for both the Enrollment Audit and Child Count. LEA Certifications must be submitted after October 6, 2014 but no later than October 8, 2014, at 5 pm. If the LEA does not submit the Enrollment Audit Verification Form and the Child Count Certification Form by the deadline, OSSE considers the LEA’s October 6, 2014, data to be accurate through passive approval for the purposes of the enrollment audit and will provide the enrollment roster as is. Please retrieve the certification forms from our [OSSE website](#).

New: Office of Enrollment and Residency

LEAs are asked to please continue to view the updated [OSSE Enrollment and Residency webpage](#) for all forms, handbook updates and guidance documents as we move forward with the enrollment audit.

Reminder: Enrollment Audit Training Material Available On OSSE Website

PowerPoint slides from the [Enrollment Audit, Child Count, and LEP Sample Audit webinar](#), presented on September 9 and 10, 2014 are now available on the OSSE website.

Enrollment Audit (Continued)

Reminder: Enrollment Audit Residency Verification Documentation and Guidance

OSSE has provided residency verification training to all LEAs for School Year 2014-2015. Please visit our website for [training presentations, translated forms and resource materials](#). If you have questions, please contact [Sean Flora](#).

Reminder: Enrollment Audit and Child Count Data Certification

Welcome to the Enrollment Audit and Child Count 2014 effort. Leading up to Monday, October 6, 2014 please frequently review the Enrollment Audit and Child Count Reports Section in [SLED](#). The information is updated daily based on data successfully transferred to SLED the night prior from the LEA SIS, SEDS, and the EA/CC QuickBase application.

For additional information about each of these systems as well as guidance on resolving data issues, please review the 2014-2015 Enrollment Audit and Child Count Handbook and the [webinar trainings](#). The deadline for data to be included in the enrollment audit is Monday, October 6, 2014 at 5pm. Then LEAs have from the morning of October 7, 2014 until October 8, 2014, at 5 pm to certify the completeness, accuracy, and validity of the data.

The **Enrollment Audit UPSFF Population** report is the official roster for local funding. The **Child Count Population** report is the official roster for IDEA child count. The requirements to enter these official rosters are stringent, because a student record must be complete and error free for the independent auditors. If a student record does NOT appear in these official rosters, there are errors.

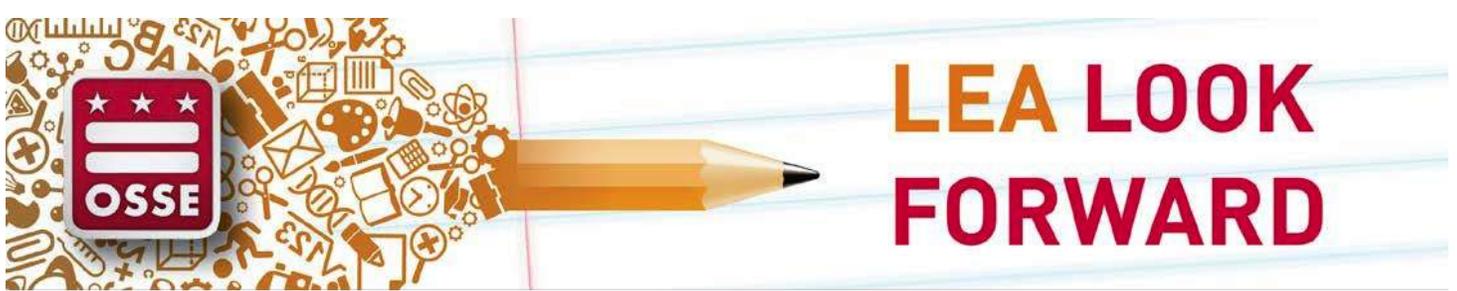

In order to be counted in the Enrollment Audit 2014 official roster, a student record must have a proper stage 5 enrollment record (NOT a pre-enrollment, which is entry code 1800) and enrollment date at the claiming school and LEA as of Monday, October 6, 2014.

In order to be included on the Enrollment Audit UPSFF Report, the student's record must have valid and complete information for all of the following data fields:

- Proper stage 5 enrollment code (SY 2014-2015)
- Proper enrollment date (not a future date)
- LEA ID and Name
- School ID and Name
- USI (Unique Student Identifier)
- Local ID
- Last and first name
- Date of birth
- Gender
- Ethnicity

Enrollment Audit (Continued)

- Race

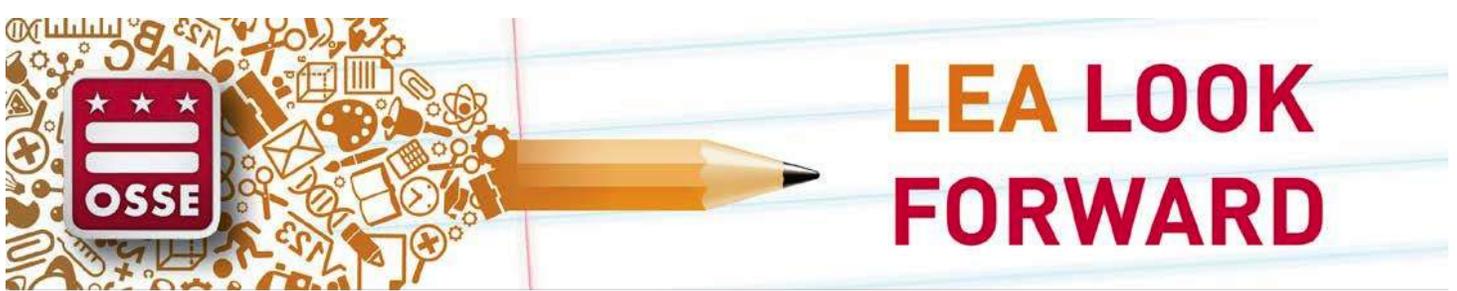

- FARMS (Free and Reduced Meals) Status (Includes CEP)
- Student address (street, city, state, zip code)
- LEP (Limited English Proficient) indicator
- SPED Level
- Student grade level
- Residency indicator
- Tuition indicator
- Tuition payment amount
- Homeless indicator
- At-Risk

Child Count Data Certification

Your LEA must return the Child Count Certification Form, along with the Certification Roster Report to OSSE by 5 pm, October 8, 2014.

To submit the final certification on October 8, 2014, follow the steps below:

1. Review all special education data elements present in SLED under the Child Count tab.
2. Correct demographic data (i.e. student ID, first name, last name, DOB, grade, race, gender, etc.) in your SIS (DC Stars for DCPS and SIS/ProActive for charter LEAs).
3. Correct special education data in SEDS (primary disability, dedicated aide data, hours outside general education classroom, IEP begin date, etc.). The one exception is the educational environment can only be updated in the OSSE Enrollment Audit and Child Count SY 2014-2015 QuickBase Application.
4. Click on the Reports tab in SLED and navigate to the certification report.
5. Email the 2014 Child Count Certification Form and the Certified Child Count Roster to OSSE at osse.enrollmentaudit@dc.gov no later than 5 pm on Wednesday, October 8, 2014.
6. OSSE will notify you via email that your certification has been received. LEAs will be sent a review of your certification for discrepancies and inform your LEA within 48 hours:
 - If your certification has been accepted OR
 - If your LEA must re-submit the certification via email.

Enrollment Audit (Continued)

IX. Requirements for Certification

- Each LEA must submit one certification document.
- The Head of the Local Education Agency must sign the certification.
- There must not be any handwritten corrections on the Certified Roster Report.
- The number of students entered on the Certification Form must match the number of students on the Certified Roster Report.
- The signed certification form must be accompanied by a printout of the data report from the Child Count SLED View.
- The Certification Form will not be accepted if signed prior to October 6, 2014.

NOTE: Certification must be received no later than 5 pm EST on October 8, 2014.

If any of these items are missing or unclear, the LEA will be required to make the necessary adjustments and submit a new certification. The LEA certification must be accepted by OSSE before October 8, 2014 at 5 pm to be considered timely.

Enrollment Audit Data Certification

Your Enrollment Audit Data Certification Form must be signed and completed by October 8, 2014 at 5 pm. If OSSE does not receive your form via email at osse.enrollmentaudit@dc.gov, your LEA is passively certifying your data, and is failing to provide payment information used by the DC Public Charter School Board.

New: "Get Started Now!" Secondary Transition Public Awareness Campaign LEA Mixer

This past June, OSSE executed a preliminary launch of our new "Get Started Now," a special education secondary transition public awareness campaign. At the event, OSSE provided a general overview of secondary transition; showcased hard copy and electronic materials and discussed next steps for secondary transition planning for city-wide use.

"Get Started Now" is a public awareness campaign that highlights ways to support a successful transition for students ages 16 and above with individualized education programs (IEPs) as they prepare for their futures post high-school.

The campaign message is simple – everyone has a role to play, and the time to start planning is now. The campaign seeks to heighten awareness about secondary transition, the many resources available to the community, and the roles each of us plays: whether a student thinking about his or her post-school options, a parent supporting a student receiving special education services, an educator responsible for IEP development, or a business owner in the community looking for ways to support youth.

OSSE is pleased to announce a secondary transition LEA “Get Started Now!” mixer scheduled for Thursday, October 23, 2014 to provide schools with more information regarding this campaign. The mixer will be hosted at the Martin Luther King, Jr. Memorial Library, 901 G Street, NW Washington, DC 20001 from 4:00 pm – 6:00 pm.

Division of Elementary, Secondary, and Specialized Education (Continued)

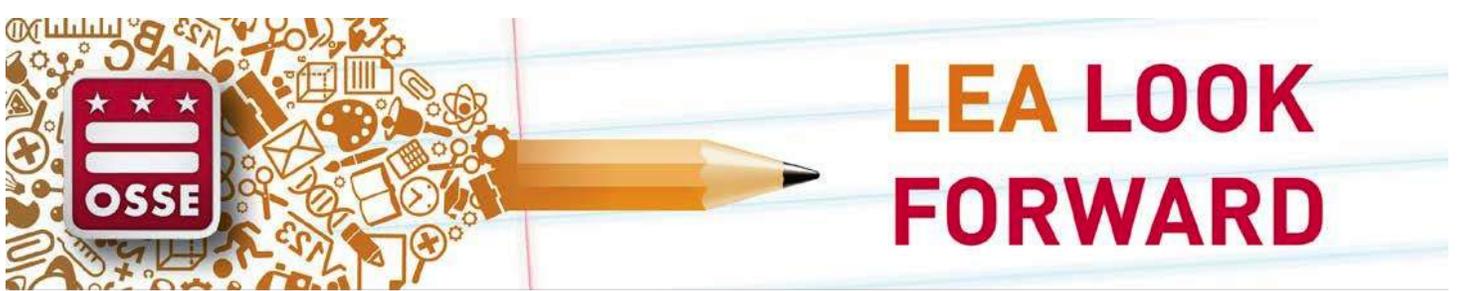

Along with receiving our “Get Started Now!” materials, viewing our secondary transition website and having a chance to mingle with members of the secondary transition community of practice, attendees will have an opportunity to connect with other agencies that provide resources and student support.

To learn more about the mixer or secondary transition resources, please contact [Ms. Naté Dearden, Esq.](#), Secondary Transition Specialist, or call (202) 741-0267. [Please RSVP here.](#)

Reminder: DC Municipal Regulations Title 5-E, Chapter 30: Special Education Review Schedule

In Spring 2014, OSSE initiated a review of Title 5-E, Chapter 30 of the District of Columbia Municipal Regulations (DCMR), the local regulation that governs special education practice in DC, with the intention of revising identified key components. In addition, input from the process will be used to inform the development of a new five-year strategic State Systemic Improvement Plan (SSIP) for Special Education.

As part of the regulatory review process, the Division of Specialized Education (DSE) will be releasing surveys and holding topic-specific focus groups on the following key content area “clusters” to inform the work:

- Transfer of Educational Rights
- Child Find, Evaluation, & Eligibility Determination
- Specialized Instruction & Caseload/Class Size
- Least Restrictive Environment (LRE) & Discipline Procedural Safeguards
- Graduation Pathways, Secondary Transition, & IEP Certificate of Completion

A high-level overview of the initiative’s calendar of events and the OSSE content area review process can be found at: [DC Municipal Regulations \(DCMR\) Title 5-E, Chapter 30: Special Education Review Schedule](#).

Division of Elementary, Secondary, and Specialized Education (Continued)

The fourth content area, Least Restrictive Environment (LRE) & Discipline Procedural Safeguards, is being reviewed in October.

DSE has developed a [topic-specific survey](#) that is open to all stakeholders. The deadline for submission of this topic survey is Wednesday, October 29, 2014.

In addition, an LEA focus group is scheduled to take place on Wednesday, October 22, 2014, from 2:30 pm – 4:30 pm at 810 First Street NE, Eighth Floor, Room 806B, Washington, DC 20002.

Reminder: Understanding Compliance Targets: Guidance for LEAs

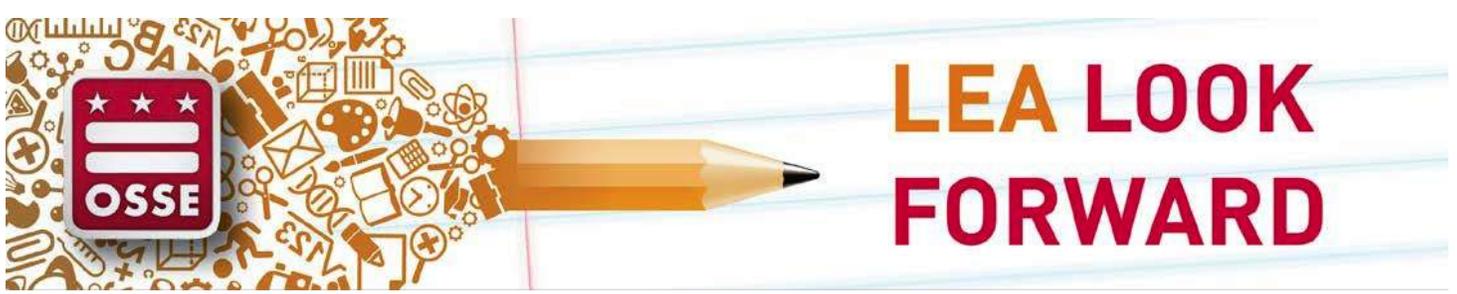

With the beginning of the new school year, the special education monitoring and compliance team wants to support LEA, school, and student success. To that end, please note the following tips related to findings of noncompliance and requirements for their correction under the IDEA:

OSSE is responsible for monitoring all District LEAs to ensure that special education services are provided in accordance with the IDEA. Some items that OSSE monitors are considered “compliance” items.

For any compliance item, the U.S. Department of Education’s Office of Special Education Programs (OSEP), requires OSSE to make findings of noncompliance if the LEA demonstrates less than 100% compliance.

The IDEA items on the student-level monitoring tool are all compliance items. Initial evaluation and secondary transition, which OSSE reviews at least three times per year, are also compliance items. For any compliance item, OSSE will not use a threshold for identification of noncompliance and will make findings of noncompliance if it is determined that an LEA has achieved below 100% compliance with a specific requirement. [Read the current monitoring manual and student-level tool.](#)

If you have questions about OSSE’s special education monitoring system, or would like more information on monitoring and compliance, please contact [Dr. Jennifer Masoodi](#), Director of Monitoring and Compliance or call (202)741-0479.

Reminder: SEDS Duplicative Enrollment Report in Reports Tab in SLED

A new SEDS Duplicative Enrollment Report has been made available in the Reports Tab that displays a list of special education students who are enrolled by more than one LEA. Duplicative enrollments frequently result in losing or preventing access to a student in SEDS. This report can be used to identify special education students who require entry/exit code updating through the SIS or coordination with other LEAs to reconcile enrollment statuses. More Information about these reports and details on how these new reports will benefit LEA SE POCs is available in the [LEA SE POC SEDS Reports Tab User Guide](#). Reminder: Related Service Providers SEDS Training

The OSSE DSE is holding a SEDS training for related service providers who serve students with disabilities at LEAs and nonpublic programs in DC.

Related service providers (RSPs) are required to use SEDS for documenting evaluations, assessments and services provided to students with disabilities. This training is designed to teach RSPs the correct way to document services in SEDS, including missed services, and will introduce tools available to make the documentation process more streamlined in SEDS. The training will also review SEDS Fall Release updates that affect RSPs.

Each LEA and nonpublic program should select one current related service provider representative to attend this in-person, two hour training. It is not appropriate for one LEA to send a large group of staff to this training. Upon receiving training, the selected RSP representative will return to the LEA or nonpublic program to share information and train their related service provider colleagues.
