Objectives

- Identify the six main components of the O*NET content model;
- Navigate O*NET OnLine to find career clusters and occupations by text or SOC; and
- Navigate My Next Move from the perspective of a student or job seeker, including the career profiler.

This presentation includes information from O*NET OnLine by the U.S. Department of Labor, Employment and Training Administration (USDOL/ETA). Used under the CC BY 4.0 license. Different careers need different amounts of preparation. Each O*NET career is in one of five Job Zones, which are groups of careers that need the same level of experience, education, and training.

1. **Little or no preparation needed**
2. **Some preparation needed**
3. **Medium preparation needed**
4. **High preparation needed**
5. **Extensive preparation needed**
