

ROLE OF THE COMMUNITY SCHOOLS COORDINATOR

COMMUNITIES IN SCHOOLS OF THE NATION'S
CAPITAL

JANUARY 2018

The background of the slide is a light gray gradient with several realistic water droplets of various sizes scattered across it. The droplets have highlights and shadows, giving them a three-dimensional appearance. The text is centered in the middle of the slide.

CIS MODEL OVERVIEW

COMMUNITIES IN SCHOOLS OF THE NATION'S CAPITAL

Our mission is to surround students
with a community of support,
empowering them to stay in school
and achieve in life.

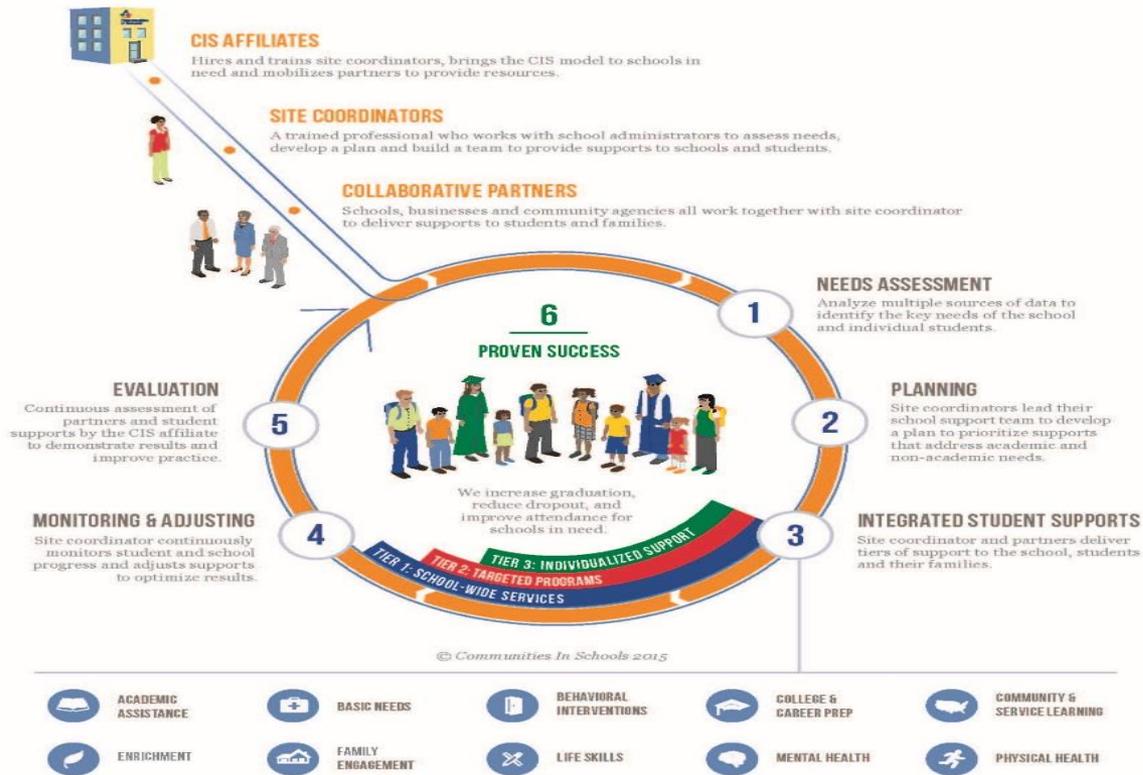

WE ACHIEVE OUR MISSION BY...

- Placing a dedicated, highly-trained staff member inside partner schools to identify students at risk of falling behind – who need a little extra help.
- Engaging community partners and volunteers to effectively and efficiently address both the **academic** and **human service** needs of students.
- The result is improved attendance, behavior, academic performance, retention rates and graduation rates.

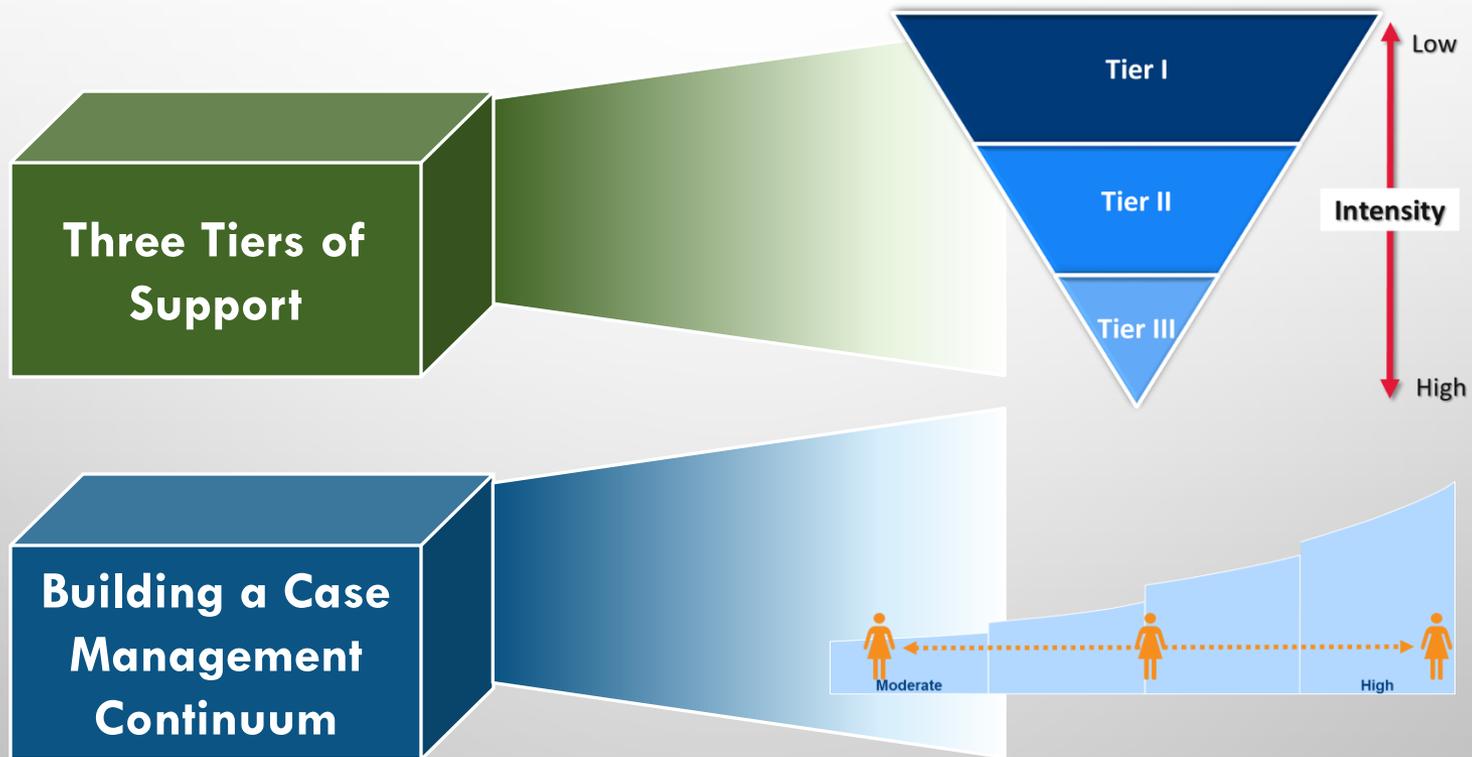

THE CIS MODEL

OUR UNIQUE MODEL

AN UPDATED APPROACH

Our national evaluations have affirmed the effectiveness of the CIS Model. To translate this into practice we need to change the way we describe our work.

The background of the slide is a light gray gradient with several realistic water droplets of various sizes scattered across it. The droplets have highlights and shadows, giving them a three-dimensional appearance. The text is centered on the slide.

KEY CONCEPT:

SITE COORDINATION

DEFINING SITE COORDINATION FOR CIS

Site Coordination (*noun* \ 'sīt kō- ,ōr-də- 'nā-shən \):

Establishing and implementing a process within a school to effectively deliver or broker integrated student supports. This include the actions associated with:

- Needs Assessment (school needs assessment in May)
- Support Planning (school support plan in Aug)
- Coordinating Three Tiers of Support
- Monitoring, Adjusting and Reporting
- Evaluating Progress Against Goals

Each Site Coordinator is responsible for facilitating at least 4 tier 1 (whole school) events each school year

CIS IN THE SCHOOLS...

- **WE ARE YOUR PARTNERS!**
 - WE SUPPORT YOUR SCHOOL'S GOALS AND YOUR STUDENTS' GOALS
 - OUR GOAL IS TO REMOVE BARRIERS SO "TEACHERS CAN TEACH AND STUDENTS CAN LEARN"
- **THE SCHOOL SUPPORT PLAN IS OUR ROAD-MAP FOR THE YEAR**
 - WE CAN ADAPT THE PLAN DURING THE YEAR WITH THE PRINCIPAL AND "SWAP OUT" GOALS/PRIORITIES
- **WE FIND PARTNERS AND RESOURCES TO MEET THE NEEDS OF THE STUDENTS**
 - WE DO "WHATEVER IT TAKES" - BUT KEEP IN MIND WE HAVE A LIMITED BUDGET FOR EACH SCHOOL
 - WE RAISE FUNDS FOR CIS STAFF, PROGRAM COSTS, ENHANCEMENTS, BASIC NEEDS, ETC.

IDENTIFYING, SECURING, AND MANAGING PARTNERS AND VOLUNTEERS

What is my need?

Does my partner or volunteer feel supported?

Have I entered it into cisdms?

Tier 1, 2, or 3 Support?

MOU on file?

What is the goal?

How often will I measure impact?

How will I measure effectiveness/growth?

What is the program's mission? Does it align with my mission?

Where will we meet?

DCPS clearance?

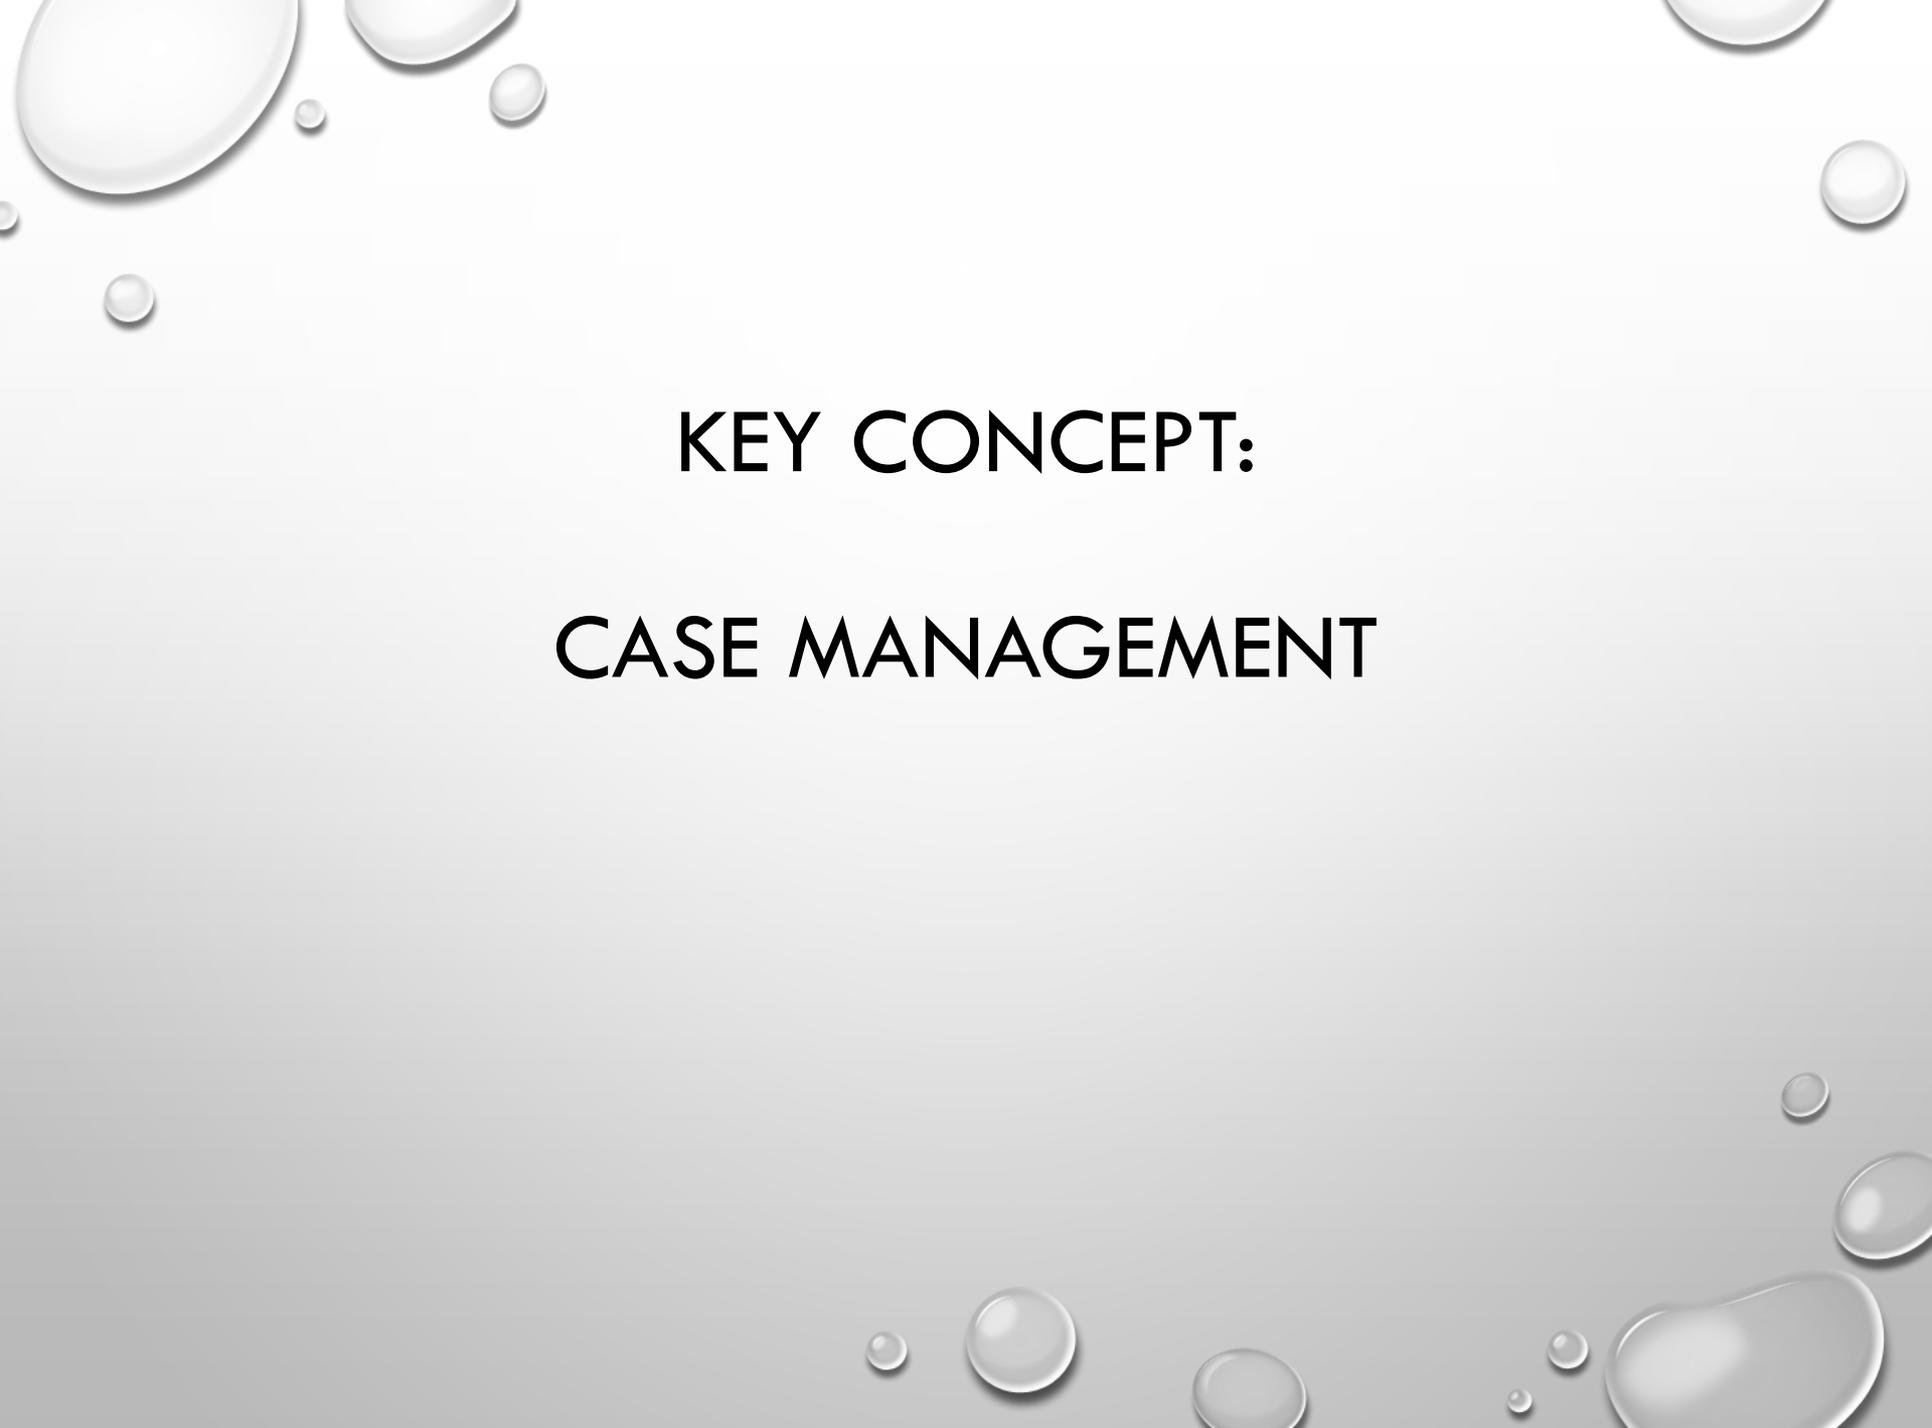

Who will participate? How will those students be selected or referred?

How many students?

When will we meet?

KEY CONCEPT:
CASE MANAGEMENT

DEFINING CASE MANAGEMENT FOR CIS

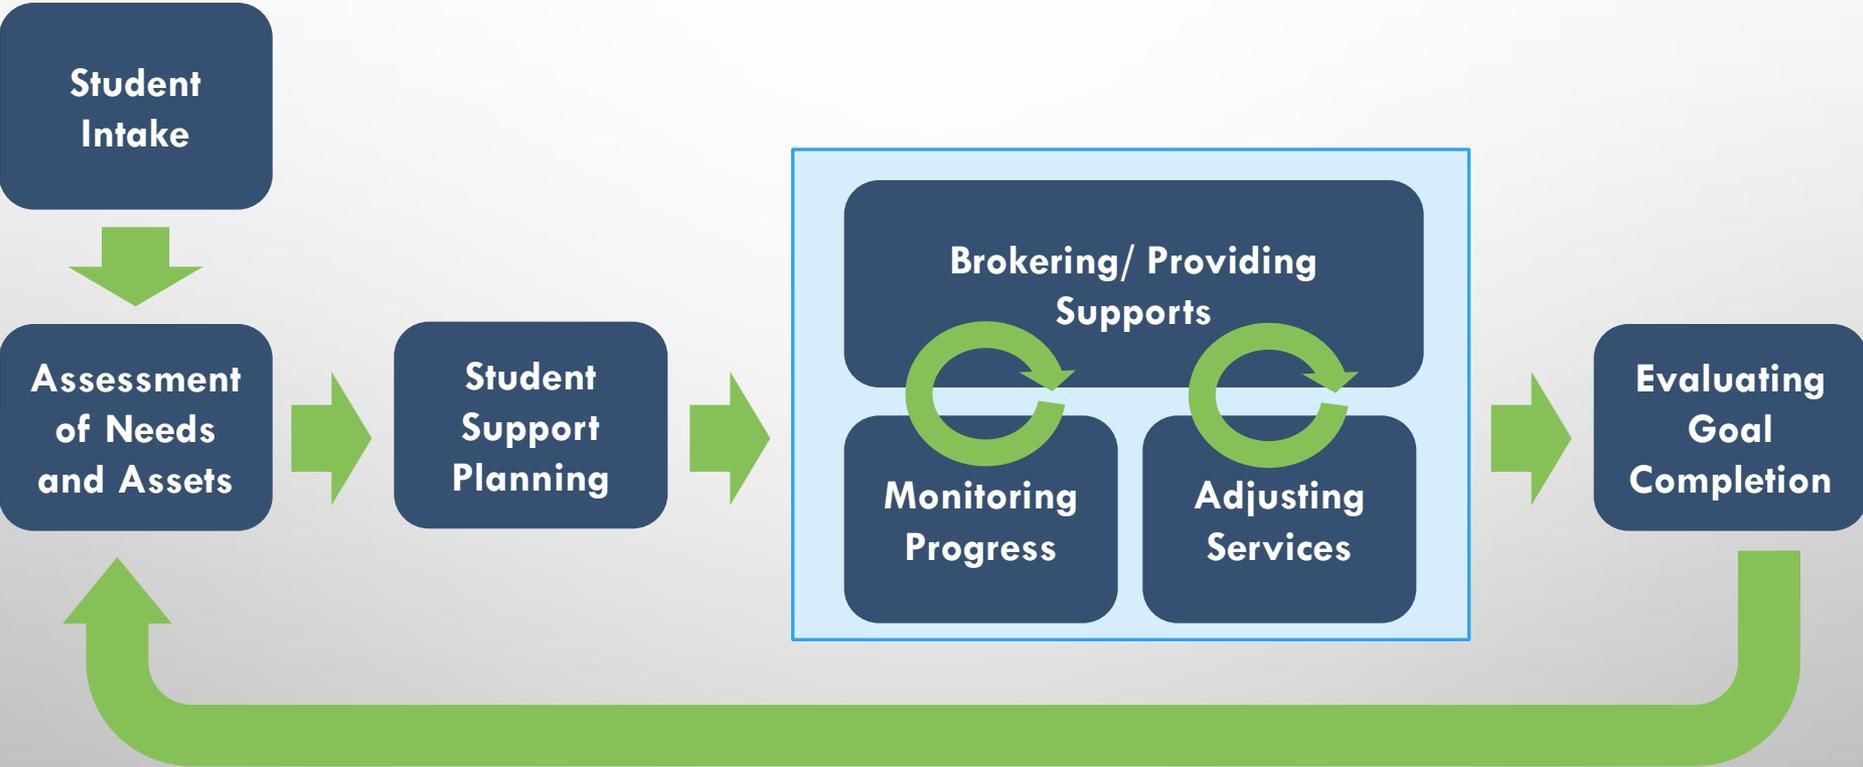

Case Management (*noun* \ 'kās 'man-ij-mənt\):

A collaborative process to 1.) Establish a system of services provided to individual students; and 2.) Identify and partner with individual students who are at risk of dropping out of school to:

- Assess needs and assets (student needs assessment)
- Create individualized plans (student support plan)
- Provide/coordinate and monitor and adjust service delivery
- Evaluate student progress against established goals

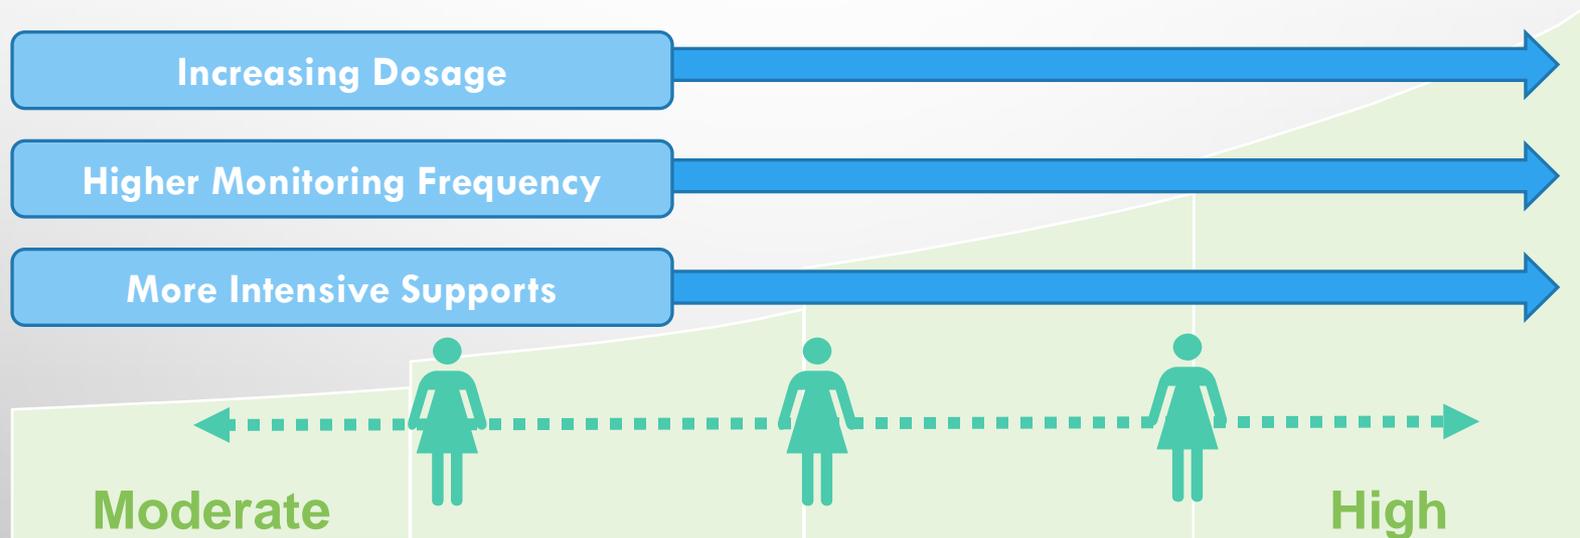

Each Site Coordinator is responsible for case managing a minimum of 40 students

CASE MANAGEMENT PROCESS

CASE MANAGED STUDENTS ON A CONTINUUM

Envision students on a continuum, with the students at one end needing more moderate support and on the other end requiring more intensive support.

While on a CIS caseload, a student may move along the continuum depending on circumstances, environmental changes or new info about his or her needs.

STANDARD METRICS

Standardizing data collection across our network will help us to measure our outcomes.

A ttendance	<ul style="list-style-type: none">• Average Daily Attendance
B ehavior	<ul style="list-style-type: none">• Suspensions• Disciplinary referrals• Classroom conduct/behavior (Elem.)
C ourse P erformance	<ul style="list-style-type: none">• Overall GPA• Core course grades• Credit completion
EOY Status	<ul style="list-style-type: none">• Promotion• Retention• Graduation• Drop-out• Post-secondary plan

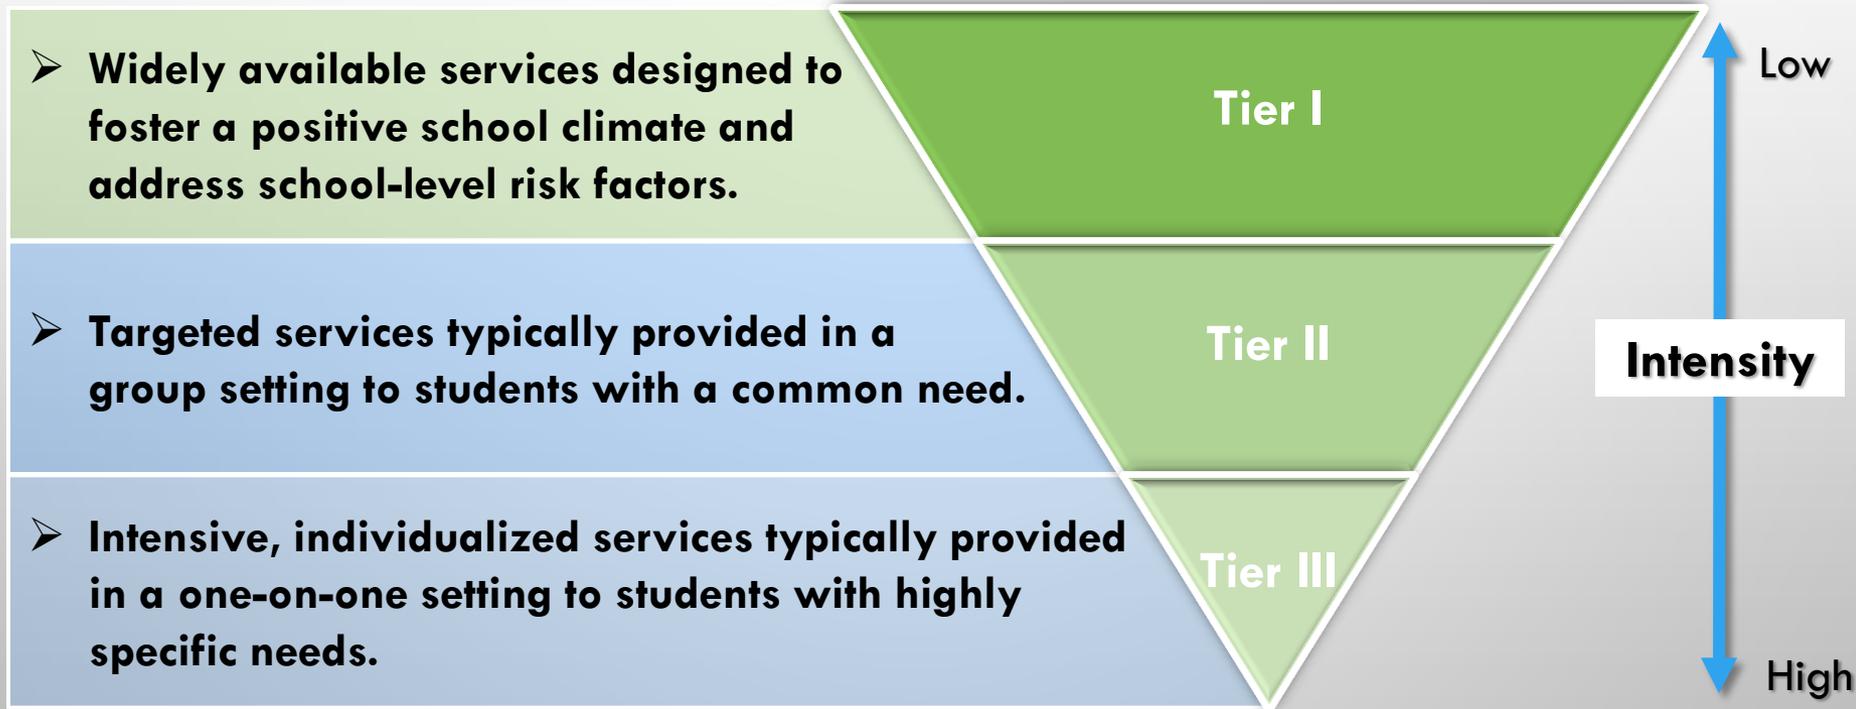

KEY CONCEPT:

THREE TIERS OF SUPPORT

3 TIERS OF SUPPORT

Tiers of Support apply to the services CIS provides, brokers and coordinates.

3 TIERS OF SUPPORT

Using our understanding of each Tier of Support, we can think about how these may play out with regard to the categories of support CIS typically provides.

Support	Tier I	Tier II	Tier III
Academic Assistance	"Coffee hour" to train parents to support kids on math homework	Weekly after-school math program for case managed students below grade level	One-on-one math tutoring for a case managed student
Behavior Intervention/Modification	Develop a Positive Behavior Intervention and Support (PBIS) program for the school to combat bullying	Bi-weekly anti-bullying peer groups for case managed girls	Connect a case managed student who bullies with a behavior modification specialist
Family Engagement	Back-to-school family dinner for all new students	Monthly family reading night for case managed students reading below grade level	Incentive program to encourage a case managed student's family to attend school events
Professional Mental Health	Schoolwide suicide prevention program	Counselor-facilitated groups on mental health topics for targeted case managed students	Connect a case managed student to a licensed counselor for ongoing, individual sessions
