## SPRING 2017 HEALTH AND PHYSICAL EDUCATION ASSESSMENT BLUEPRINT

These test blueprints display the distribution of multiple choice items in the Health and Physical Education Assessment by reporting category. These categories are aligned to those of the **DC Health Education Standards** and the **Physical Education Standards**.

The reporting categories are:

### Health Education Standards:

Mental and Emotional Health | Safety Skills | Human Body and Personal Health | Disease Prevention | Nutrition | Alcohol, Tobacco, and Other Drugs

### Physical Education Standards:

Physical Education

All items in the assessment are equally scored, and results are reported as percent correct.

GRADE 5		
Category	Number of items	% Total Points <sup>i</sup>
Mental and Emotional Health	3	14%
Safety Skills <sup>ii</sup>	3	14%
Human Body and Personal Health	3	14%

If you have any questions about the Health and Physical Education Assessment, please contact [osse.schoolhealth@dc.gov](mailto:osse.schoolhealth@dc.gov).

-----  
i Item weights do not vary across items.

ii Includes questions on sexual health. Guardians can exclude students out of answering these sexual health questions. Students who do not answer sexual health questions will receive a substitute question from the same category.
