

## **District of Columbia IDEA Part B Local Education Agency Report for Federal Fiscal Year 2020 (July 1, 2020 – June 30, 2021)**

### **Legislative Authority**

The Individuals with Disabilities Education Act of 2004 (IDEA 2004) requires states to publicly report local education agency (LEA) performance against targets established in the State Performance Plan (SPP) no later than 120 days after the state's submission of its Annual Performance Report (APR). The SPP is a six-year plan that describes the state's efforts to implement the requirements of IDEA and improve results for children with individualized education programs (IEPs). In addition, it articulates how the District of Columbia will improve its performance on prescribed Indicators. In its APR, the state must report its progress toward meeting the measurable and rigorous targets detailed in its SPP.

The District of Columbia SPP and APR are available at the Office of the State Superintendent of Education (OSSE) website: [osse.dc.gov/publication/ff-2019-annual-performance-report-part-b](https://osse.dc.gov/publication/ff-2019-annual-performance-report-part-b)

### **Background**

OSSE serves as the state education agency (SEA) for the District of Columbia. OSSE ensures compliance with IDEA for children with disabilities who receive special education and related services from LEAs and other public agencies in the District of Columbia.

In federal fiscal year 2020 (FFY20), the District of Columbia's student population included 14,925 children with disabilities. In FFY20, children in the District of Columbia were served by 67 LEAs, including the District of Columbia Public Schools (DCPS) and 66 public charter school LEAs.

Please note that for Indicators 1, 2, 4 and 14, the LEA list reflects LEAs in existence during the 2019-20 school year. This distinction is due to Office of Special Education Programs (OSEP) guidelines requiring the data used to calculate performance from the prior school year.

### **Publicly Reporting Data for Indicators 3B, and 3C**

The District of Columbia was not required to provide data for this Indicator. The District of Columbia received a waiver of the assessment requirements in section 1111(b)(2) of the Elementary and Secondary Education Act (ESEA) due to the impact of coronavirus (COVID-19). As a result, the District of Columbia does not have data for this indicator for FFY20.
