Role and Responsibilities

1. Advise the mayor on the development of the Incentive Initiative, including the development of a results-based framework and accompanying performance indicators with which to measure the success of the Incentive Initiative;
2. Participate in the selection process for Incentive Initiative grantees;
3. Develop recommendations on how all public schools can become centers of their communities by opening school facilities for nonprofit and community use;
4. Identify potential funding sources for the provision of eligible services within the Incentive Initiative; and
5. Develop yearly measureable performance goals to assess:
 - A. How to increase the percentage of families and students receiving services for each year of the Incentive Initiative;
 - B. The outcomes for students and families, particularly student academic achievement; and
 - C. The number of public schools and public charter schools that have established formal relationships with community and neighborhood groups to use school facilities.

Proposed New Committee Structure

On Jan. 27, 2017, OSSE proposed a new committee structure. The new structure would:

- Be committee-led and -driven, with OSSE's support.
- Have one or two co-chairs who either would be appointed or nominated by the committee.

Decision points:

- New committee structure
- Number of chairs
- Appointed, self-appointed, nominated or combination
- Mayoral order establishing a formal committee

Proposed New Committee Structure

Update:

- At the Jan. 27, 2017 committee meeting, the committee deferred decision on new structure to March 22, 2017 meeting.
 - As a temporary solution, the committee agreed to the identification of four “interim” co-chairs to ensure the completion of the first task, while having fair representation of the various sectors comprised of the committee.
 - Four interim co-chairs were identified and together developed a letter to the mayor, which was issued on March 9, 2017.
- At the March 22 committee meeting, the committee agreed on two interim chairs to ensure the creation of bylaws as a next step.
- At the May 17 committee meeting, suggestion was made to place the drafting of bylaws in abeyance while the committee reviewed the need for an amendment of the legislation. OSSE would research the feasibility of amending the legislation.

Proposed New Committee Structure

Updates continued:

- At the July 26 committee meeting, OSSE's Office of the General Counsel (OGC) provided an overview of community schools' legislation and corresponding mayoral orders. In light of the contextual information provided at the meeting and discussion, the committee decided to solidify the structure via a conference call in August 2017.
- On Aug. 28, a phone conference call was held. Committee members proposed the following: a co-chair structure; a self-nomination process; retention of the committee member list as prescribed in the legislation and add CFSA, DBH and a parent; grantees would be non-voting members and could not be considered for the position of co-chair. OSSE, as a next step, would follow-up with OGC to explore the feasibility of the committee's suggestions.
- At the Sept. 20 meeting, a decision was made to update the CSAC mayoral order.
- OSSE is currently reviewing a draft mayoral order.
