Scholarships for Opportunity and Results (SOAR) Academic Quality (AQ) and Early Childhood (EC) Allowable Uses

All projects must be research-based, supported by data and tailored to meet the specific needs of the local education agency (LEA). This is not an exhaustive list and does not guarantee approval of such costs by the Office of the State Superintendent of Education (OSSE). All costs must be consistent with 2 CFR Part 200, Subpart E. For questions, please contact your SOAR grant manager.

- *SOAR AQ: Projects designed to have a direct impact on student achievement, either school-wide or for specific subgroups of students*
- *SOAR EC: Supplementary activities that support school readiness, including the development of literacy and mathematics skills for early childhood students*
