Next Generation Assessment Meetings and Communications

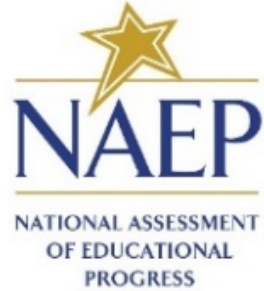

OSSE's Office of Assessments

In partnership with key stakeholders, we create a comprehensive educational assessment program that: accurately measures student performance; produces actionable data; and provides tools, guidance, and training to empower local education agencies (LEAs) to meet the needs of all learners and make informed decisions.

Office of Assessments

- **Danielle Branson**, Director of Assessments
- **Stephanie Snyder**, Deputy Director of Assessments
- **Chelsea Charland**, Assessment Specialist, Science
- **Michael Craig**, Assessment Specialist, Special Populations
- **Lavinia Ringgold**, Assessment Specialist, Test Security

Assessment Policy Updates and Reminders

Statewide Assessment Policy Releases

- This fall, OSSE released a set of policy and guidance documents designed to support LEAs and schools with successful implementation of statewide assessments in the 2021-22 school year. These releases include:
 - [SY2021-22 Statewide Assessments Participation and Performance Policy](#)
 - [SY2021-22 District of Columbia Test Security Guidelines and supporting resources](#)
 - [SY2021-22 OSSE Testing Accommodations Guides](#)
- Please ensure that key staff members in your LEA are made aware of these policies and trained as appropriate.

Reminder: In-Person Testing

- As a reminder, during the 2021-22 school year statewide assessment season, it is expected that all students enrolled in courses with required assessments will participate in person unless there is an approved medical exemption for testing.
- OSSE will work with LEAs to determine reasonable accommodations to students to test in person safely.
- For example, LEAs should reach out to OSSE if they are proposing an alternate school site to test students participating in distance learning in person.
- All proposals must be included in School Test Security Plans and approved by OSSE prior to testing.

Advanced Mathematics Waiver

- In ESSA, students in grade 8 are permitted to take an advanced high school math assessment that best matches their instructional course.
- Currently, there are also a small number of students in grade 7 who are taking mathematics courses that are more advanced than what is assessed on the Grade 7 Mathematics Assessment.
- DC received a waiver from the US Department of Education (USED) so students in grade 7 could access higher-level math assessments and not sit for the Grade 7 Mathematics assessment. This waiver was in place from 2018-19 to 2020-21.
- Students with this waiver are required to take a more advanced mathematics assessment in high school.
- To maintain current practice, OSSE seeks a waiver extension from 2021-22 through 2023-24.
- Please submit public comment via email to OSSE.Assessment@dc.gov by March 1, 2022.

English Learner (EL) Exit Criteria

Assessment Policy Updates and Reminders

English Learner Exit Criteria Change

- **Current State:** English Learners (ELs) must score a 5.0 on the ACCESS assessment to exit EL status.
- **New policy beginning in 2021-22 school year:** ELs in grades 1-12 must score a 4.5 to exit EL status.
 - We are not lowering expectations of students.
 - A score of 5.0 on ACCESS now aligns with a 5.9-6.0 on the previous version of ACCESS. A score of 4.5 on ACCESS now aligns with a 5.1-5.5 on the previous version of ACCESS.
 - We want to ensure that students are appropriately identified and not receiving services they do not need.
 - The kindergarten (K) assessment did not change; the K criterion remains at a 5.0.
- **Timing:** This policy will take effect with the spring 2022 ACCESS assessment, which will affect EL statuses in the 2022-23 school year. This policy change is NOT retroactive.

Student Benefit

Students should receive EL services only when they are beneficial.

- The WIDA consortium reset standards in SY2016-17, making it far more challenging to score a 5.0 or higher.
- ELs in DC who score a 4.5+ on ACCESS score similarly on the PARCC English language arts assessment as students who are not ELs.
- EL students who would succeed in the general classroom but receive EL-related services tend to have worse long-term academic outcomes.
- LEAs can still return students to EL status if they determine that they require those services to succeed in the general classroom.

School Year	# of students exiting	# of students testing	% of students exiting
2014-15	1223	5921	20.7%
2015-16	1334	6195	21.5%
2016-17	159	6714	2.4%
2017-18	354	7452	4.8%
2018-19	414	8097	5.1%

Test Security Reminders

Assessment Policy Updates and Reminders

Required Test Security Training Modules & Quiz

- All LEA Test Integrity Coordinators must complete the OSSE Test Security Training modules and pass the associated quiz with a score of at least **80 percent**.
 - [OSSE Test Security Training Modules & Quiz](#)
- The following individuals must complete training *prior* to developing School Test Security Plans:
 - PARCC/DC Science LEA Test Integrity Coordinator
 - MSAA/DLM LEA Test Integrity Coordinator
 - ACCESS for ELLs Test Integrity Coordinator
- LEA Test Integrity Coordinators are responsible for ensuring that all authorized personnel at schools under their LEA participating in testing are trained.

School Test Security Plan Development

- OSSE requires **every school, including nonpublic schools**, that will administer a statewide assessment to complete and submit a School Test Security Plan prior to the start of the school's testing window.
- The school test security plan services as an official communication with OSSE of a school's plan for administering statewide assessments.
- School plans must be submitted to OSSE for final approval at least **15 business days prior to the first day of testing**.

School Test Security Plan Resources

- School test security plans must be submitted in [OSSE's School Test Security Plan Application](#) in Quickbase.
- Instructions, exemplars, and templates are posted for reference on OSSE's [Test Security and Incident Forms website](#).
- Module 3 of the required OSSE Test Security Training includes additional information.
- Email Lavinia.Ringgold@dc.gov if you need access to Quickbase or have any questions.

OSSE Assessment Monitoring

- OSSE is charged with monitoring and overseeing the security and administration practices during testing to ensure assessments are administered securely and under standardized testing conditions.
- This year, OSSE will be monitoring all statewide assessments in-person beginning in March.
- OSSE Assessment Monitoring Checklists will be updated and posted on [OSSE's Test Security and Incident Forms](#) website.
- OSSE will be selecting schools for onsite monitoring primarily based on random selection but may also select schools for monitoring based on security or administration issues.
- OSSE plans to notify selected schools to gather additional information about school-specific protocols for visitors.

OSSE Assessment Monitoring: Health & Safety

- OSSE Assessment Auditors will follow all required OSSE protocols for health and safety during onsite monitoring.
- OSSE staff are designated as essential staff and therefore are permitted to enter into school buildings as guests.
- As DC Government employees, OSSE Assessment Auditors are required to be fully vaccinated, which includes having received a booster shot when applicable.
- All OSSE Assessment Auditors will be masked with high-quality, well-fitting masks for the entirety of their visit.

Assessment-Specific Preparation and Administration Guidance

National Assessment of Educational Progress (NAEP)

Assessment-Specific Preparation and Administration Guidance

NAEP Test Administration Window Open!

- The 2021-22 NAEP test administration window opened on **Jan. 24** and closes **March 4**. All students identified in the sample and eligible to test are expected to participate in NAEP testing.
- Given the need to provide some additional flexibility, some schools may be scheduled for NAEP testing through the end of March.
- School Test Coordinators are working directly with their NAEP Assessment Coordinators (field staff) on all operational planning and during testing support.
- LEA Assessment Managers can reach out directly to the District of Columbia NAEP Field Staff Manager if any additional support is needed from NAEP.
 - Michelle Curien-Garcia (michellecurien-garcia@naepmail.westat.com)

NAEP Preparation for Testing

- Schools that have not begun testing are currently finalizing their preparations for testing. Six tasks are required to be completed by the School Test Coordinators in the [MyNAEP system](#) prior to the Preassessment Review Call (PRC).
- Preassessment tasks include:
 - Review demographics
 - Assign accommodations
 - Notify parents/guardians
 - Plan for assessment
 - Encourage participation (please refer to the NAEP [inclusion policies](#) to ensure that the widest number of students possible are able to participate)
 - Update current roster
- LEAs are encouraged to monitor their school(s) progress using their MyNAEP registration ID.

NAEP Resource Reminder

- NAEP has provided a suite of resources to support schools and LEAs in communicating about the upcoming NAEP assessments. A selection of these resources include:
 - [A High-Level Overview of NAEP](#)
 - [An Introduction to NAEP](#)
 - [FAQs: Participating in NAEP](#)
 - [The Nation's Report Card: What Every Parent Should Know](#)
 - [NAEP Engagement Strategies](#)

ACCESS for ELLs and Alternate ACCESS

Assessment-Specific Preparation and Administration Guidance

ACCESS for ELLs

- The 2021-22 ACCESS for ELLs and Alternate ACCESS test administration window opens **Feb. 14** and closes **March 25**. All students identified as EL, receiving EL services must complete ACCESS testing.
- Test Coordinators and Test Administrators should complete the following steps in preparation:
 - Complete the required online training in the WIDA Secure Portal
 - **TAs ONLY** must pass the final quiz with 80% accuracy or higher
 - Store all test materials in a secure location (expected delivery week of **Feb. 7**)
 - Setup testing window in the WIDA AMS system
 - Submit School Test Security Plan in the STSP Quickbase application
 - Download the ACCESS for ELLs Online or Paper Checklists from the DC State page on the [WIDA Site](#)

ACCESS for ELLs

- TCs and TAs can utilize the following resources in preparation:
 - [Preparing for ACCESS QuickStart Guide](#)
 - [Assessment Training \(Required\)](#)
 - [ACCESS for ELLs District and School Test Coordinator Manual](#)
 - [ACCESS for ELLs Test Administrator Manual](#)
 - [ACCESS for ELLs Accessibility and Accommodations Manual](#)
- Contact the following people for support during test administration:
 - Secure materials- LEA Test Coordinator
 - Technology issues- DRC Customer Support (855) 787-9615
 - Test Security concerns- OSSE.Assessment@dc.gov
 - General test administration- OSSE.Assessment@dc.gov

Multi-State Alternate Assessment (MSAA)

Assessment-Specific Preparation and Administration Guidance

MSAA

- The 2021-22 Multi-State Alternate Assessment test administration window opens **March 14** and closes **April 29**. All students deemed eligible by OSSE for Alternate Assessment participation in grades 3-8,11, and C3 must participate in testing.
- LEA Test Coordinators (TCs) will receive login credentials for the MSAA System by **Feb. 25**
 - LEA TCs are responsible for creating school-based TC and TA accounts
- MSAA Training Modules will be available in the MSAA System on **Feb. 28**
 - TAs must view all modules and pass the final quiz with an 80 percent or higher
 - TCs must view all modules but do not have to complete the final quiz

MSAA

- TCs and TAs should complete the following steps to prepare for administration:
 - Download required materials
 - Test Administration Manual, Directions for Test Administration, User Guides
 - Download TC and TA checklists
 - View training modules **(required)**
 - Complete before testing tasks in the MSAA System
- Contact the following people for support during test administration
 - Secure materials- LEA TC
 - Technical Support- MSAA Service Center, MSAAServiceCenter@cognia.org
 - Test Security concerns - OSSE.Assessment@dc.gov
 - General test administration - OSSE.Assessment@dc.gov

DLM Science Alternate Assessment

Assessment-Specific Preparation and Administration Guidance

Dynamic Learning Maps (DLM) Background

- The Dynamic Learning Maps (DLM) Essential Elements for Science (EE's) are specific statements of knowledge and skills linked to the grade band expectations and represent the most frequently assessed alternate standards in DLM Science states identified in the *2012 Framework for Science Education*.
- The Essential Elements currently tested address a small number of science standards, representing a breadth, but not depth, of coverage across the entire standards framework.
- The purpose of the DLM Essential Elements is to build a bridge from the content in the general education science framework to academic expectations for students with the most significant cognitive disabilities.

Dynamic Learning Maps (DLM) Test Administration

The DLM Test Window opens on **March 14** and closes **April 29**

- Test Administrators are set by building/LEA test coordinators.
- Test Administrators must have a [DLM Kite Educator Portal](#) account with the role of “Teacher”.
- Test Administrators must complete the DLM Required Test Administrator Training for all test administrators [online](#) (guide available [online](#)).
- Grades 5 and 8 students have been registered by OSSE. Any eligible students currently enrolled in a high school Biology course must be [registered](#) by the LEA coordinator (video instructions are available [online](#)).

Dynamic Learning Maps (DLM) Test Administration

- Each student must be [rostered](#) to the person who will administer the assessment to the student (video instructions are available [online](#)).
 - OSSE rosters eligible grade 5 and grade 8 students; LEAs roster eligible HS students.
- The Test Administrator must complete a First Contact Survey and Personal Needs and Preferences survey (PNP) for each student (video instructions are available [online](#)).
 - Completed Test Administrator Training is required to access student data and complete the First Contact Survey, Personal Needs and Preferences (PNP) settings, and to administer tests.

Dynamic Learning Maps (DLM) Important Dates

OSSE enrolls grade 5 and grade 8 DLM eligible students; LEAs enroll DLM eligible HS students.	Jan. 10 – Feb. 1
DLM test coordinator training	Jan. 12

DLM testing window	March 14 – April 29

Dynamic Learning Maps (DLM) Ongoing Activities

- Test Administrator Training
 - Required to access student data and complete the First Contact Survey, Personal Needs and Preferences (PNP) settings, and to administer testlets
- School Test Security Plan submission to LEA/OSSE
 - Must be sent to OSSE 15 business days prior to testing
- Continuous monitoring of student data and communicating with OSSE for assistance as needed

PARCC & DC Science

Assessment-Specific Preparation and Administration Guidance

PARCC & DC Science Assessments

The Partnership for Assessment of Readiness for College and Careers, or PARCC, is the District of Columbia's annual assessment of mathematics and English language arts (ELA), based on the [Common Core State Standards \(CCSS\)](#).

Grades 3-8 and high school

DC Science
The District of Columbia Assessment of
the Next Generation Science Standards

DC Science is the District of Columbia's statewide assessment of the [Next Generation Science Standards \(NGSS\)](#).

Grades 5, 8, and high school Biology

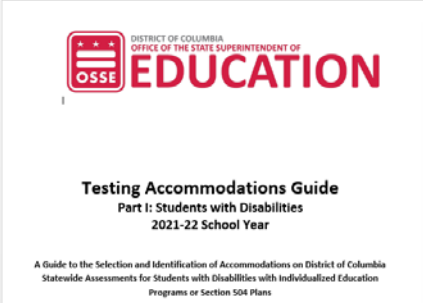

PARCC & DC Science

- The PARCC and DC Science registration process began in January.
- Each LEA is responsible for verifying registration for students in grades 3-8 and registering high school students for these assessments.
- Registration for PARCC and DC Science is combined into one Student Registration and Personal Needs Profile (SR/PNP).
- To complete registration, LEA Test Coordinators should review the instructions in the SR/PNP Field Definitions Guide.

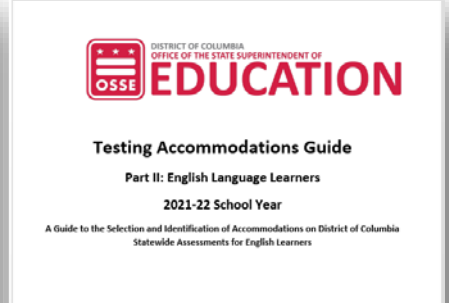

Action	Date
OSSE registers students in grades 3-8 for PARCC and DC Science Assessments	Prior to Jan. 5
PearsonAccess ^{Next} Opens to LEAs	Jan. 5
LEAs Confirm Registration for Grades 3-8	Jan. 5 - Feb.16
LEAs Register High School Students for Assessments by Course	Jan. 5 - Feb.16
LEAs Complete Student Accommodations in the Personal Needs Profile	Jan. 5 - Feb. 16*
Nonpublic Schools Complete Student Accommodations in the PNP	Feb. 16 - Feb. 22
LEAs Complete Student Accessibility Features in the Personal Needs Profile	Prior to Submitting School Test Security Plan
LEAs Create Student Testing Sessions for Student Testing Groups	Prior to Submitting School Test Security Plan
PARCC and DC Science Assessment Testing Window	April 4 – May 27*

PARCC & DC Science Accommodations Resources

- Resources to assist LEAs in completing the Personal Needs Profile (PNP) have been updated for the 2021-22 school year.
 - The OSSE Testing Accommodations Guides have been updated to include references to the SR/PNP Field Definitions Guide and are linked here: osse.dc.gov/service/testing-accommodations
 - The SR/PNP template and Field Definitions Guide are posted in PAN under Support > Documentation.
 - The 7th edition of the Accessibility Features & Accommodations (AF&A) Manual is posted here: dc.mypearsonsupport.com/manuals/

PARCC & DC Science Accommodations

- OSSE will review PARCC and DC Science accommodations upon submission of the SR/PNP file. The review will focus on alignment between student documentation and the assignments made in PearsonAccess^{next}.
- Please ensure that student accommodations from IEP, 504, or EL plans are accurately documented in the SR/PNP file. Students who do not have an IEP, 504, or EL plan should not receive accommodations. These students may only receive accessibility features.
- Schools and LEAs with misalignment will be contacted by OSSE in March to resolve the discrepancies prior to testing.

** ELA grades 3, 6, and 10 (ELA II) will have two operational units and one additional field test unit.

PARCC & DC Science Manuals

- Pearson released the 2022 PARCC and DC Science manuals on the [DC Pearson Support website](#).
- These manuals include a Test Coordinator Manual, a Computer-Based Testing Test Administrator Manual, and a Paper-Based Test Administrator Manual.
- Copies of PARCC and DC Science manuals will be shipped to each school in mid-March.

PARCC & DC Science Materials

- Students at your schools may require secure and accommodated materials, shipped from the vendor to the school.
- When receiving a shipment, check to ensure all ordered materials have been provided. Keep secure testing materials **locked away** in a secure location prior to testing.
- Materials and manuals will arrive to schools in mid-March 2022.

PARCC & DC Science Materials

- Materials and manuals will be shipped to the school contact and address listed in each organization account in PearsonAccess^{next}. Organization contact information defaults to the address OSSE has on file for each school and the LEA Test Coordinator's name.
- Please **review and update this information** to ensure it is accurate and materials are shipped to the correct location and received by the correct person.
 - Login to PearsonAccess^{next}
 - Select SETUP and ORGANIZATIONS
 - Select the box next to the organization you wish to review
 - Select MANAGE CONTACTS from the SELECT TASKS drop down menu
 - Verify address, name, and email fields and click SAVE

Claims Structure*: Grade 3

Master Claim: On-Track for college and career readiness. The degree to which a student is college and career ready (or "on-track" to being ready) in mathematics. The student solves grade-level/course-level problems in mathematics as set forth in the Standards for Mathematical Content with connections to the Standards for Mathematical Practice.

Sub-Claim A: Major Content with Connections to Practices
The student solves problems involving the Major Content for her grade/course with connections to the Standards for Mathematical Practice.

10 - 30 points

Sub-Claim B: Additional & Supporting Content with Connections to Practices
The student solves problems involving the Additional and Supporting Content for her grade/course with connections to the Standards for Mathematical Practice.

10 - 12 points

Sub-Claim C: Highlighted Practices MP.3.A with Connections to Content (expressing mathematical reasoning)
The student expresses grade/course-level appropriate mathematical reasoning by constructing viable arguments, critiquing the reasoning of others, and/or attending to precision when making mathematical statements.

14 points

Sub-Claim D: Highlighted Practice MP.4 with Connections to Content (modeling/application)

The student solves real-world problems with a degree of difficulty appropriate to the grade/course by applying knowledge and skills articulated in the standards for the current grade/course or for more complex problems, knowledge and skills articulated in the standards for previous grades/courses, engaging particularly in the Modeling practice, and where helpful, making sense of problems and persevering to solve quantitatively (MP.2), using appropriate tools, using structure (MP.7), and/or looking for and expressing patterns (MP.8).

Total Exam Score Points:
66 points

DC Science Assessment Design Information: Biology

Claims Structure

Biology Assessment: High School Life Science NGSS Content

Master Claim

Students use Life Science principles, skills, and behaviors to make sense of phenomena and address real-world problems.

High Level Blueprint

Biology Assessment Blueprint: High School Life Science NGSS Content

High School Science Topics (scientific principles, skills, and behaviors per year)	Percentage of Pts per Topic in the NGSS	Percentage of Pts per Topic on the DC Science Assessment	Number of Item Clusters*	Total Raw Score Points **

Heredity: Inheritance and Variation of Traits	13%	10% - 15%		
Biological Evolution: Unity & Diversity	25%	20% - 30%		

*Each item cluster is composed of six items. Each test form includes item clusters that target content from all four Life Science Topics and Engineering Design.

**Items have a range of scores from 1 to 3 raw score points.

*For the purposes of the PARCC Mathematics assessment, the Major Content includes 1 of the Mathematics. Note that tracks on PARCC assess mathematics from across several Major Claims.

**The Additional and Supporting Content is a grade/course in differentiated Mathematics.

*For Grade 3-8, Sub-Claim C includes only Major Content.

The screenshot displays the PARCC Practice Tests interface. At the top, there are two main sections: "Mathematics Practice Tests" and "English Language Arts/Literacy Practice Tests". Each section has a header with the subject name and a sub-header asking if the user wants to know what taking the PARCC Assessment is like. Below these, there are instructions and a list of available practice tests for each grade level (3, 4, 5, 6, 7, 8). The "Mathematics Practice Tests" section lists tests for Grade 3, Grade 4, Grade 5, Grade 6, Grade 7, Grade 8, Algebra I, Geometry, and Algebra II. The "English Language Arts/Literacy Practice Tests" section lists tests for Grade 3, Grade 4, and Grade 5. Below these sections, there are three columns of practice tests: "Computer-Based Practice Test Unit 2", "Computer-Based Practice Test Unit 3", and "Paper-Based Practice Tests (all units)". Each column lists specific tests and their formats (e.g., TTS Version Unit 2, Automated Screen Reader Unit 2, etc.).
