

Healthy Schools Act Menu Requirements (SFSP)

Sponsors must implement the nutritional requirements of Sections 101, 201, 202, and 203 of the Healthy Schools Act (HSA). Sponsors are eligible for additional menu reimbursements provided that the meals meet all of the requirements outlined in the Healthy Schools Act. The following HSA menu requirements list will support each eligible sponsor in complying with these menu requirements. Compliance with HSA menu requirements will be verified during each sponsor's Administrative Review.

MEAL PATTERN REQUIREMENTS IN ADDITION TO THE SUMMER FOOD SERVICE PROGRAM MEAL PATTERN REQUIREMENTS ARE LISTED BELOW:

Component/Requirement	Breakfast	Lunch
FRUITS	One (1) different fruit (and/or vegetable substitution) must be offered each day.	One (1) different fruit must be offered each day.
	Two (2) fresh fruits must be offered each week.	Three (3) fresh fruits must be offered each week.
	100% juice can be reimbursable as a fruit only once per week.	100% juice can be reimbursable as a fruit only once per week.
VEGETABLES	Vegetables from the dark-green, red/orange, legumes, starchy, and other vegetable subgroups may be substituted for fruits to meet the fruit variety criteria for breakfast.	One (1) different vegetable must be served each day.
		Two (2) additional servings (1 cup total) must be offered weekly from any of the following vegetable subgroups: dark-green, red/orange, or legumes.
GRAINS		At least three (3) different types of grains must be offered each week.
Reporting of Local Items	Each sponsor must complete and submit a "Locally Grown Food Item Tracking Log" indicating that the meal and date that each local item was served and the name and contact information of the farm. For more information, contact Elizabeth Hanna, Farm to School Specialist, at Elizabeth.Hanna@dc.gov .	
Menu Posting	All menus and nutritional information must be posted online if the sponsor has a website.
