

**District of Columbia Government
Master Supplier Form v4**

The Master Supplier Form is used to collect supplier (vendor) information for both the procurement process and the financial accounting processes. Procurement uses the term vendors. The District Integrated Financial System (DIFS) refers to vendors as suppliers. The Master Supplier Form uses the terms vendors and suppliers interchangeably. Please note the following when completing the form:

1. **Non-purchase order suppliers** (i.e., non-procurement suppliers, providers, claimants) - complete Sections I and III
2. **Purchase order suppliers** (i.e., procurement vendors) - complete Sections I and IV
3. **For Notice of Grant Award (NOGA) supplier** - complete Section I and II
4. **If there is a payment address that is different than the Headquarters address**, also complete Section III

Important: The Procurement Center of Excellence (PCOE) handles the initial registration for purchase order (PASS) suppliers. Non-purchase order and NOGA suppliers use the DIFS Supplier Portal for initial registrations.
