

Mathematics Assessment Unit Structure

| Grade(s) | Unit 1 | Unit 2 | Unit 3 |
|--------------|---|-----------------------------|-----------------------------|
| 3 – 5 | Non-calculator (60 min.) | Non-calculator (60 min.) | Non-calculator (60 min.) |
| 6 – 7 | Non-calculator section and Calculator section (60 min.) | Calculator (60 min.) | Calculator (60 min.) |
| 8 | Non-calculator (60 min.) | Calculator (60 min.) | Calculator (60 min.) |
| High School* | Non-calculator section and Calculator section (90 min.) | Calculator (90 min.) | |

* Includes the math assessments for Algebra I, Geometry, Algebra II, Integrated I, and Integrated II.

Short answer and constructed-response items are dispersed throughout the units. However, there are no constructed-response items in **grade 6 or above** in the **non-calculator sections**. The number of points in each unit remains fairly consistent. Since the math assessment is points-based, the number of items in each unit will vary.
