PURPOSE

This document introduces users to the new EGMS User Interface. User Interface is the means by which the user and a computer system interactⁱ and OSSE has been working diligently to update the feel and look of EGMS. All the functions in the current system will be reflected with the new user interface.

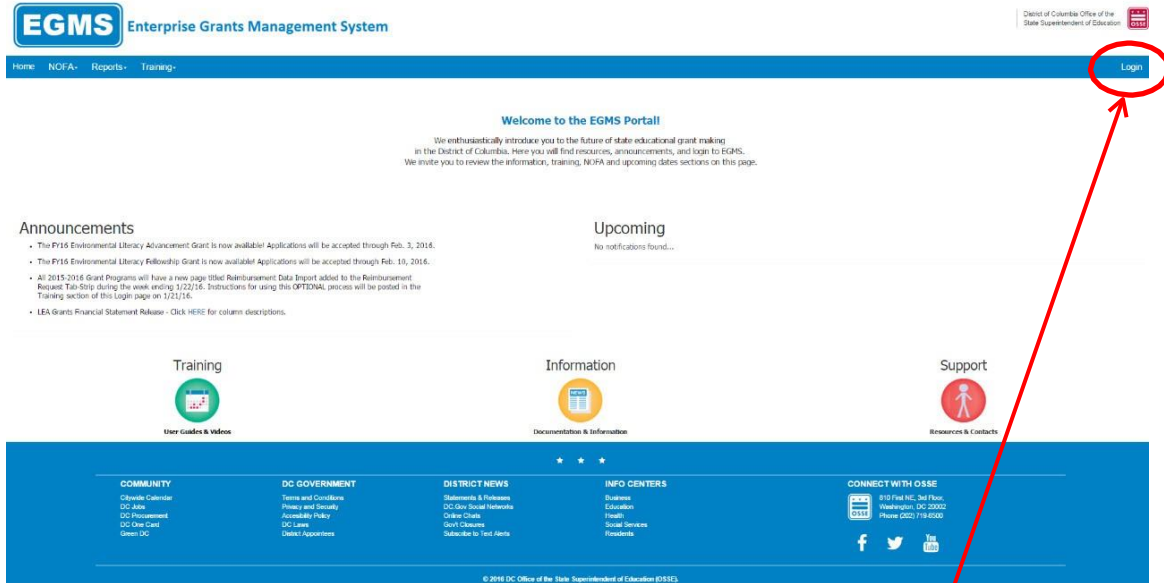

PREVIOUS VERSION OF EGMS

The screenshot below is the current version of the EGMS login page.

NEW EGMS USER INTERFACE

Below is an example of the new EGMS landing page. EGMS users will note that the same information is available in slightly different locations. The green, blue and black EGMS logo has been replaced with a new blue logo that matches OSSE branding similar to the SLEDs website.

EGMS LOGIN PAGE

Users will access the login page from the link in the top right corner of the landing page.

This website best viewed using Internet Explorer version 11.x or Microsoft Edge. Google Chrome version 47.x and later and Safari for OS X version 9.x and later.
