OSSE Adult Educator Professionalization Scholarship Application Academic Year (AY) 2021-22

Closing Date Extended to June 30, 2021

The paramount role of adult and family education in preparing adult learners (including vulnerable populations) to meet education, skills and credential requirements for sustainable jobs with career paths, is recognized nationally, by the District of Columbia, and is an overarching premise of the Workforce Innovation and Opportunities Act (WIOA) of 2014. To meet this expanding and growing responsibility, the District of Columbia (DC) Office of the State Superintendent of Education, Adult and Family Education (OSSE AFE), in keeping with its accountability for ensuring the adequate preparation, continuing professionalization and support of educators who teach adult learners, forged a collaboration with the University of the District of Columbia (UDC), Adult Education Program, which is specifically designed and aligned to meet the continually evolving needs of its sponsored adult educators. Funds permitting, each year the OSSE AFE/UDC collaboration assists the participation of eligible adult educators, practitioners and staff with scholarships to a variety of targeted education and training opportunities.

Adult Education Teacher Licensure and Certification Scholarships

OSSE AFE, in collaboration with the UDC Adult Education Program, will offer Adult Education Teacher Licensure and Certification Scholarships to up to 15 eligible adult educators to pursue academic opportunities that culminate in licensure and/or license renewal in Adult Education.

UDC's Adult Education Program, which is accredited by OSSE, offers a Graduate Certificate (24 credit hours¹) and a Master of Arts (36 credit hours) in Adult Education. Adult education practitioners, who already hold a baccalaureate or post-baccalaureate degree(s) in their content area(s), can participate in and complete the program to meet professionalization and/or teacher license application or renewal requirements². Each core course of the Graduate Certificate Program curriculum is sub-divided into three 1-credit thematic modules (15 instructional hours for six weeks during the semester the course is offered). UDC permits applicants to take a maximum of 9 credit hours as a Special Student before full registration is required. Specifics on UDC's graduate program in adult education and admissions requirements are provided at **Attachment I**.

¹ 21 credits are transferable to the MA degree, leaving only 15 additional credits to earn a graduate degree.

² For teacher license renewal, 120 Professional Development hours or 8 credit hours of coursework are required every four years.

I. Tuition and Fees
